PROFESSIONAL SUMMARY

Development professional with experience across non-governmental organisations, sales management and municipal land management. Currently Co-Founder and Secretary General at Umkhombandlela NGO, facilitating school programmes, career expositions and local economic development initiatives, and leading executive sales and brand positioning at CISO Sportswear. Former Land Management Officer for Msunduzi Municipality and Matthew Francis Incorporated, working on municipal asset management and policy implementation. Seeking to leverage community engagement and economic development experience to drive impactful initiatives within dynamic organisations.

PROFESSIONAL EXPERIENCE

Co-Founder and Secretary General

Umkhombandlela Non-Governmental Organization

11/2022 — Current

- Work with schools across the local district and region to facilitate prefect inductions and career expositions, and draft invitations and funding proposals to organisations and government institutions.
- Report on all activities and initiatives to guide the organisation and manage limited resources, including recommendations on challenges affecting teaching and learning.
- Build capacity by facilitating local trade fairs and farmers markets so small businesses can trade and position their brands within their regions of operation.
- Liaise with Msunduzi Municipality officials on local economic development, presenting the organisation's approach to alleviating poverty and driving development.

Executive Sales and Management

CISO Sportswear

11/2021 — Current

- Shape company strategy across positioning, promotion, price and physical evidence, reinforcing an impact ecosystem through sports activities in underprivileged communities.
- Drive brand visibility through the CISO Football Tournament and pop-up shops at regional sporting events.
- Host under-9 and under-13 tournaments and coaching clinics to support early-age football and sports development, in liaison with the Department of Sport and Recreation.
- Maintain local manufacturing partnerships to protect product quality and support domestic production against global competition.

Ward Committee Member — Secretary General of the Ward and War-Room

Ward 24, Msunduzi Municipality

02/2023 — 04/2024

- Compiled reports on all events, activities, initiatives and projects within the ward.
- Facilitated public meetings to encourage community participation, resolve conflict and present development initiatives from the municipality, government departments and independent organisations.
- Supported the Sustainable Development Budget Implementation Plan through monitoring of community-based plans, budget deficits and development progress, and prepared priority lists via the councillor's office.
- Worked with area-based management to build a substantive community profile, and drafted correspondence to municipal and departmental officials on service delivery concerns.

Land Management Officer

Matthew Francis Incorporated

10/2018 — 02/2019

- Supported the facilitation of the Municipal Asset Disposal Policy and Anti-Land Invasion Policy on behalf of Msunduzi Municipality, in line with the Municipal Systems Act (Act 32 of 2000).
- Analysed land acquisition and disposal on the ground, capturing research and data on influences affecting municipal land.
- Presented weekly reports on land application backlogs, applicable policy frameworks, and the scale of invaded municipal land.

Land Management Officer

Msunduzi Municipality

10/2018 — 02/2019

- Oversaw land acquisitions under the Municipal Finance Management Act (Act 56 of 2003), Chapter 3 Part 2, Section 14, and the Batho Pele principles.
- Managed disposal of land for capital investment, commercial expansion, emerging industrialists and housing development projects.
- Administered disposal memoranda across departments to ensure equitable, fair and transparent processes compliant with supply chain regulations and council oversight.
- Facilitated meetings with departments and private institutions on project proposals, service delivery impact, IDP alignment and environmental compliance.
